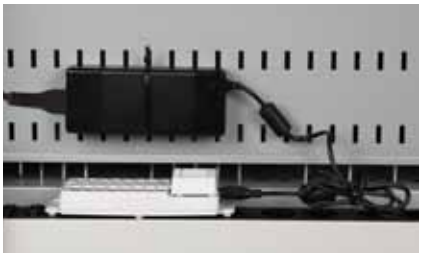
TABLET

NoteCart Flex Tablets 30

NoteCart Flex 30 with room for 30 tablets, incl. 2 NoteSync Lite

NoteCart Flex – economical, high-quality and flexible solution for storage, charging and synchronisation of tablets

- Compact and flexible interior design that can be modified and adapted to store e.g. notebooks.
- At the delivery NoteCart Flex is with 2 NoteSync Lite that can charge and synchronise up to 30 tablets.
- Charging at full rate (2,1 Amp per USB port) ensures a fast charge and protects tablet batteries. Synchronisation software is to be purchased separately from iPad/tablet manufacturer or third party.
- Compact mobile design with 4 high quality wheels with bearings and breaks on 2 of the wheels.
- NoteCart Flex is designed and constructed so it can be supplied exactly with the functionality you might need. Available options are e.g. NoteSecure for theft protection or timer. See more in the product information sheet **"Options for NoteCart Flex".**
- Danish design - made in Europe; CE certified.



NoteCart Flex is designed, manufactured and tested to comply with all relevant clauses of EN 60950-1 – Safety of Information Technology Equipment and BS 6396 – Electrical Systems in Office Furniture and Educational Furniture.
